We have developed some guidelines that are appropriate for our church and location. Each community is different; each church is different; each family and individual are different—one size does not fit all. But for who and where we are, here are some guidelines. We hope they give you a degree of confidence and comfort as we gather together in the Lord's House.

1. If you are not feeling well, please do not come to church; the COVID virus has a variety of common symptoms, and what may seem to you like a minor ailment could seriously affect someone else.

2. If you believe you should not attend services for an extended period of time, that is completely understandable. Everyone needs to decide what is personally best.

3. Masks and/or gloves are optional; individuals and families are asked to determine what they will wear for their own protection. But having said that, we ask everyone to be mindful of one another. It is our desire to keep everyone safe & healthy.

4. We will not pass the offering plate; we will have one plate up front and another one on the table at the back of the sanctuary. For those staying home from church for extended periods of time, your offering can be mailed in, if desired.

5. Please be careful about personal contact outside of your family.

6. When you find a seat, please space yourselves out so there is room between you and the nearest worshipers. All the rows will be available for you to occupy (including the front row!).

7. The Ladies' Sunday School class will meet in the large, open area in Cooley Hall; and our Wednesday Bible study will likewise continue to meet there. We will not divide into small groups and small rooms for prayer at this time.

8. The church facilities are cleaned weekly and continue to be disinfected between our various services. In addition, hand sanitizer is readily available in both buildings.

9. The Sunday sermons are posted on our church website (opendoorofpv.com) as soon as practical, usually Sunday night; look for the link to "Sermons" along the top of the Home Page
